👤 PROFILE

A recent BCA graduate with a strong passion for web development and a solid foundation in modern technologies like Next.js, MongoDB, and Cloudinary. I have successfully worked on projects that demonstrate my skills in front-end and back-end development. I am now looking for an internship or full-time role to further enhance my knowledge and contribute to real-world projects. My aim is to continuously learn and apply my skills in a dynamic work environment while delivering high-quality solutions.
